FACULTY OF
APPLIED
SCIENCES

PROFESSOR

Title & Name: Professor Krishna Bisetty

Qualification & Institution: BSc (Hons) (UDW), UHDE (UDW), NH Dip (MLST), MSc (UN), PhD (UN)

Contact Number: 031-3732311 (w);
0762606472 (cell)

Email Address: bisettyk@dut.ac.za

Campus: Steve Biko

Area of Expertise: Computational
Chemistry & Nano-Electrochemistry

Bio:

Prof Krishna Bisetty is a Full Professor in the Department of Chemistry at Durban University of Technology (DUT). As an NRF C1 rated scientist and an experienced science educator with 30 years of teaching experience at DUT, he is currently managing and leading the “Computational Modelling and BioAnalytical Chemistry” research group with a strong national and international collaborations. He is a co-author of over 100 international papers, 10 book chapters, a supervisor to over 20 masters and doctoral students and more than 6 postdoctoral fellows. He served on several Conference Organizing Committees and his work presented at local and international conferences. He also held visiting positions at the Jamia Islamia University (A central University) in India, the University of Valencia in Spain, the University of Mauritius and the University of Latvia.

Academic Interests:

Electrochemistry and Physical Chemistry
