LECTURER

Title & Name: Dr Siyabonga S. Ndlela

Qualification & Institution: PhD (UKZN)

Contact Number: 031 373 2315

Email Address: SiyabongaN8@dut.ac.za

Campus: Steve Biko Campus

Area of Expertise: Inorganic Chemistry

Heterogeneous Catalysis

Bio: Dr Ndlela is an inorganic chemistry lecturer and a researcher in the field of industrial catalysis. He has a well-built educational and professional background, withan experience from working in the higher education sector, both as an academic and in administration. Dr Ndlela is involved in the supervision of postgraduate students (Advanced Diploma and Masters) with the research focus in the synthesis and design of environmental benign catalytic systems for the transformation of low value organic substrates to value added products.

Academic Interests: Catalysis using zeolite based materials for multidisciplinary chemical applications.
