DESIGNATION

SENIOR LECTURER

Title & Name: Dr TH Mokhothu

Qualification & Institution: PhD, Polymer Science, University of the Free State

Contact Number: 031 373 6061

Email Address: ThabangM1@dut.ac.za

Campus: Steve Biko Campus

Area of Expertise: Polymer Science

Bio: I am currently working as a senior lecturer in the department, teaching inorganic chemistry and analytical chemistry III: Molecular spectroscopy. I am currently involved in numerous research projects focusing on the application of inorganic metal oxides, biomass and polymers to address environmental pollution of heavy metals in wastewater. I am also involved in post-graduate supervision and supervision of students in industry under the Work Intergraded Learning (WIL) programme.

Academic Interests: Application of inorganic and polymer chemistry to solve environmental related problems.
