

# WANT TO MAKE AN IMPACT ON THE WATER SECTOR?

INSTITUTE  
FOR WATER  
& WASTEWATER  
TECHNOLOGY

**POSTDOCTORAL  
POSITIONS  
AVAILABLE**

The **Institute for Water and Wastewater Technology**, is regarded as the foremost water research institute in Africa and is highly respected on a global scale. Our focus is largely based on developing and optimizing technology for the treatment of water and wastewater, and green energy to satisfy the needs of industry and the community.

Eager to make a change and set yourself apart in this competitive sector? If you are an enthusiastic, bright young mind an exciting opportunity awaits.

The Institute for Water and Wastewater Treatment Technology hereby invites suitably qualified applicants for Postdoctoral Scholarships.

Please email your cover letter, CV and research interests to [iwwt@dut.ac.za](mailto:iwwt@dut.ac.za) and cc Prof. F. Bux, [faizalb@dut.ac.za](mailto:faizalb@dut.ac.za).
