

# DUT DIALOGUE

## WE ARE IN THIS TOGETHER: RESPONDING TO THE CONFLICTS

---

Recent events have brought home the need for a more unified, mutually supportive, DUT community.

The purpose of this DUT Dialogue is not to get into the issues at stake in the conflicts on campus. It is rather to hear from members of the DUT community their experiences, feelings and concerns, so we can take action that will bring people together, not create further division.

There are no invited speakers; all are welcome.  
We want maximum participation!

The aim of the DUT Dialogues is to be an open platform where anyone who is connected to DUT is free to speak, to be heard and to listen to others.
