

## UNIVERSITY STATEMENT

---

30 October 2019

Dear students and staff

The University would like to inform you, that there has been a positive development in the criminal investigation into the violent and fatal attack on our former student, the late Mr Sandile Ndlovu.

Following the tragic incident last month, the University worked closely with the South African Police Services on the case. The University decided to appoint a team of private investigators to assist with the murder investigation. The private investigators made a positive breakthrough a few days ago. Our team informed the SAPS and a suspect was immediately arrested.

Whilst we cannot release details of the arrest or name the suspect at this stage, we have been informed that the suspect will appear in court and the suspect will be charged for the murder of the late Mr Sandile Ndlovu.

We want to congratulate the private investigators and the police for successfully arresting the suspect and we hope that justice will be served for Sandile and his family.

Sincerely

DUT Management
