

UNIVERSITY STATEMENT

31 October 2019

Dear staff and students

Following on from the statement that we issued yesterday regarding the arrest of a suspect linked to the murder of our former student, the late Mr Sandile Ndlovu, the University has been informed that the suspect has already appeared in court.

We were initially informed that the suspect was going to appear in court later today, however, yesterday evening, the suspect made his first court appearance.

He will now have to reappear in court at a later date.

The University will continue to update you on future developments related to the case.

Sincerely

DUT Management
