Dear students and staff

AMENDED 2020 DUT ACADEMIC CALENDAR

The University would like to remind all stakeholders that the approved, amended 2020 DUT academic calendar will only be released to all students and staff once it has been finalized. We are aware of a document being circulated on social media, which claims to be the approved, amended DUT academic calendar. Please remember that our University only releases official statements via the formal channels:

- **DUT4life** student email accounts
- **DUT PinBoard** staff email system
- **DUT website**
- **Staff Portal**
- **Student Portal**

Our team are currently busy finalizing the amended 2020 DUT academic calendar and once this is approved, we will then share this with you on the official platforms as highlighted above.

In the interim, we hope that you are keeping safe during the national lockdown. Please remember to take the relevant precautions to protect yourself from Covid-19. Stay safe and stay home.

Yours sincerely
