

7 May 2020

Dear Students

We hope that you are staying safe during the current national lockdown. As you know, South Africa's lockdown level for the State of Disaster, due to the Covid-19 pandemic, was eased from Level 5 to Level 4. However, this still places a restriction on all South African universities and colleges.

Last week, during a media conference, the Minister of Higher Education and Training asked all students to ensure that their cell numbers and contact details are current and correct. As a result, we urge you to please update your contact details via the Student Web on the iEnabler system. You should go to "Student Admin" and then to "Personal Contact Detail." Please find below, an example to help guide you.

Personal Contact Detail**Student Number:** 20052167
Name: Mr VIKESH RAVJEE

Note: If any previously entered contact details exist click on the Communication Type to view or change its detail. Click on the 'New Record' button in order to add contact details.

NOTE: Medical Emergencies: dial 0800 00 0000 to dial an ambulance from Durban. You must be in SA or Lesotho.
Student cell number is compulsory for ALL DUT students

Communication Type[STUDENT CELL NUMBER](#)
[HOME TELEPHONE NUMBER](#)
[WORK TELEPHONE NUMBER](#)**Detail**0794928933
031 3072086
084 3513365

By following the above guide, you will then update the existing contact number or click on “New Record” to insert your cell phone number. Please take this opportunity to ensure that your details are correct and up to date.

We will continue to update you on further developments regarding the amended academic programme in the weeks ahead. As always, please only access official DUT communiqués via your DUT4life email account and/or the DUT Student Portal.

Stay home. Stay safe. Save lives...

Kind Regards

DUT Communications
