Diploma in Management Sciences: Business Administration

NQF Level: 6

SAQA ID: 94830

**Qualification Code: DIMBSI (DBN)
DIMBAI (PMB)**

Location: 6th floor, B block, M.L Sultan Campus, Durban-: and Riverside Campus (Pietermaritzburg)

Description of the Programme

The Diploma in Management Sciences, specialising in Business Administration, has been developed to equip students with the generic organisational knowledge, skills, and abilities to make a meaningful contribution to the success of any organisation. The programme will equip students with analytical, conceptual, and technical skills in the major areas of management, financial management and administrative management.

Students who complete the diploma will gain adequate knowledge to enter a wide variety of fields such as retailing, manufacturing, insurance, banking, logistics, and marketing. The qualification offers a wider scope for job opportunities than does most specialist diplomas.

Duration of the Programme

Three years full-time

Career Opportunities

Entrepreneur, administration, banking, wholesale and retail sectors, financial management, government services, government administration, education management, hospital administration, customer service, transportation, property and real estate, supply chain management, and insurance.

Mathematics OR	3			
Mathematics Literacy	4			
And two 20 credit subjects (not more than 1 language)	3	Applicants with 20 or more points will be considered	Three compulsory vocational subjects	60%

Selection criteria for this programme

Applicants must meet the minimum requirements mentioned above. NSC, SC and NCV applications received via the Central Applications Office (CAO) will be scored and ranked from highest to lowest points. Based on these rankings, those learners with the highest points will be offered a firm place; the learners who have applied with their grade 12 June/Trial results may be offered a conditional place subject to them meeting the requirements mentioned above. Preference will be given to learners from designated groups.

NB: If the number of applications exceeds the number of places available, the department reserves the right to apply a ranking system to select students.

OR

Admission Requirement Based Upon Work Experience, Age and Maturity

For admission to entry-level diploma and certificate studies:

A person may, subject to such requirements as the senate may determine, be admitted to the institution even if such a person is not in a possession of a national senior certificate, senior certificate, or an equivalent certificate, provided that:

- (a) The person shall have reached the age of 23 in the first year of registration and shall have at least:
 - Three years' appropriate work experience; and/or
 - Capacity for the proposed instructional programme, which shall be assessed at the discretion of the respective head of department by a senate approved admission assessment comprising of a DUT standardised assessment test for access and placement (SATAP), academic literacies (AI) & English for academic purposes (EAP) and/or an appropriate subject or programme specific written assessment designed and marked by the relevant department; and
- (b) The relevant faculty board shall be satisfied that the person's standard of communication skills, ability to study successfully and/or work experience are such that the person, in the opinion of the relevant faculty board, should be able to complete the proposed instructional programme successfully. If required, the communication skills and study skills should be tested; and
- (c) The person's application for admission in terms of work experience, age and maturity is approved prior to registration.

Applicants intending to gain admission through work experience, age and maturity must submit their applications at least four months before commencement of the academic year, inclusive of the date of scheduling writing a requisite eligibility assessment.
