Diploma in Management Sciences: Business Law

NQF Level: 6

SAQA ID: 94830

Qualification Code: DIMBLI

Location: ML Sultan Campus-Durban (Block B 4th Floor)

Description of the Programme

This programme introduces students to the main aspects of business law and the compliance function within an organisation. It designed to provide students with an understanding of the law relating to business in general and contracts in particular, as well as the specific standards, regulations and requirements in terms of relevant legislation, and its application, in order to enable students to analyse and solve problems relating to an organisation's compliance. The program is designed to equip students with the knowledge, skills, attitudes and competencies they will require at the confluence of the legal and business framework. This will be achieved by providing students with the skills to serve as a business specialist with basic legal knowledge applicable to the organisation.

Students are exposed to the various aspects of law relevant to business and management. In the final year of study, they focus on managing purchasing, procurement, contracts management and compliance. This assists students in understanding business law, in general, and compliance.

Duration of the Programme

Three years full-time

Career Opportunities

Compliance officers/managers; contract officers/managers and other roles in business requiring legal knowledge.

Please note: This programme does not equip students to practice as an attorney or advocate.
